Offl. Memo. No. 49781-1-D-2, P.H., 5th December 1934

Establishment—Medical Institutions—Local Fund and Municipal—Municipalities—Existing strength—Statements—Called for.

Official Memorandum—No. 49781-1, D-2, P.H., dated 5th December 1934.

All executive authorities of municipalities are requested to submit to Government, *within three weeks* from the date of receipt of this memorandum, information in the appended form in respect of each medical institution including institutions on the model of rural dispensaries, if any, under the control of municipal councils. The statements relating to institutions of Indian medicine and homœopathic institutions should be submitted through the Principal, Indian Medical School, and those relating to other institutions through the District Medical Officer and the Surgeon-General. The information in respect of each institution should be prepared on separate sheets.

2. The officers mentioned in paragraph 1 above should scrutinize the statements expeditiously and transmit them with their remarks on the following points :—

(1) The adequacy of the staff employed.

(2) Whether the existing staff is in excess of requirements.

(3) Whether each member of the existing staff possesses the qualifications prescribed for the post.

(4) The grade of officer required for each institution (i.e., whether officers of the grade of Civil Assistant Surgeon, Sub-Assistant Surgeon or Medical Officers with L.I.M. qualification are required).

3. Executive authorities of municipalities are requested to treat the matter as very urgent.

(By order of the Government, Ministry of Local Self-Government)

R. SUBBAYYA,
Joint Secretary to Government.

To all Executive Authorities of Municipalities.
,, the Surgeon-General.
,, the Principal, Indian Medical School.

To The Secretary to the Government of Madras,
Through The Principal,Government Indian Medical School and the Chairman, Municipal Council, Mangalore.
Local Self Government Department. Fort St.George, Madras.

Sir,

Adverting to the above memorandum, I submit herewith the statement called for in respect of the three Municipal dispensaries maintained by the council.

Though the Medical Officers report that an additional compounder is necessary in each of the dispensaries I think the present strength is quite adequate to meet the needs of the dispensary.

Two of the Medical Officers - those of Jeppu and Unani dispensaries are L. I. Ms. of the Indian Medical school, Madras, while the Medical Officer of the third - Bokkapatna

Ayurvedic Dispensary has passed the 'Ayurveda Bhushana' degree and 'Ayurveda Visharada' degree examinations. All of these have applied for registration and the result is pending before Government.

The three compounders of the dispensaries are trained in the dispensaries themselves and they possess no other qualification

A cooly on daily wages is however generally allowed them for two months in the year for the preparation of and pounding drugs.

Endorsement No.5813-1/S-35 dated 28th March 1935.

Submitted to the Joint Secretary to the Government of Madras, Local Self Government (Public Health) Department.

2. The Medical Officers in the Jeppu and Golikatta dispensaries are L.I.Ms. registered under class The Medical Officers of the Bolbor dispensary is a diploma holder of the Madras Ayurvedic College and may be registered under class 'B' if the proposal of the Central Board of Indian Medicine to recognize the diploma of Ayurveda Bushana of the Madras Ayurvedic College for registration under class 'B' is accepted by Government (vide this office letter No.2702-1/S-35 dated 27-2- 1935.) The compounders employed in the three dispensaries belong to II Grade. One additional compounder is recommended for the two Ayurvedic dispensaries in view of the large attendance. They may also help to a great extent in the preparation of medicines at the dispensaries. A female nursing orderly may also be appointed for the three dispensaries. The additional staff recommended is within the scale suggested in my d.o. reply No.1976-2/S-35 dated 6-3-35.
